

2013 Greater Louisville Training Club Dog Class Schedule

**Classes are held at the National Guard Armory, 2729 Crittenden Drive,
Louisville, KY**

Classes:

GLTC offers three (3) levels of obedience classes for the public. These classes are designed to teach pets to be loved and well mannered members of your pack (family), to make you a happy, confident, and responsible pet owner, to provide fun activities for you and your dog. The club offers both puppy and adult classes, as well as special advanced classes.

Our members are just like you. We started out in basic obedience and got hooked on the sport. It is the one sport that you can take your best friend with you to all of the activities and where dog hair is an accepted part of your clothing.

We believe you can train any dog, regardless of age or breed.

DESCRIPTION OF CLASSES

> Puppy Class -

10 weeks to 20 weeks old - Learn the special skills needed to have a well-socialized puppy. Use games and activities to teach your puppy how to live with his new family and address behaviors that are particular to puppies.

> Beginner Dog Obedience -

4 months and older - This class will cover manners, sits, downs, stays, come & walking on a lead. Games will help to reinforce the lessons taught and instill confidence.

> Intermediate Dog Obedience Class (Canine Good Citizenship) -

Prerequisite-completed Beginners Dog Obedience Class.

The American Kennel Club has designed this course of study to recognize dogs for good behavior. This class will prepare you and your dog to take the Canine Good Citizenship test on Week 6 of the course.

> Advanced Dog Obedience -

This class will continue to teach and strengthen basic commands. Additional techniques to keep your dog safe will be taught.
