

CURT BROCK OBEDIENCE SEMINAR

Hosted by Greater Louisville Training Club
FEBRUARY 25 AND 26, 2012

Curt's accomplishments:

Novice A to OTCH . Curt has taken a rescue smooth collie from Novice A to OTCH. She was ranked the #1 collie in the US for 5 years and was invited to the AKC invitational four years in a row. She has had several 200 in both open and utility.

OTCH Topbrass Key just went High in Trial and High Combined at the Golden Retriever Nationals. Key and Curt have had six 200 perfect scores. He has even scored a 200 in open and utility on the same day. Key has over 100 High In Trials and has been to the AKC invitational four times.

Curt can offer a variety of ways to help you from puppy to utility. He plans to bring his young Golden, Curry, to the seminar to demonstrate how he handles his puppies and young dogs. Curry is very "soft" so we can learn how to build up a very gentle dog.

The seminar will be tailored to the interest of the people attending.
